**GOOD FOR THE PLANET.
GOOD FOR YOUR CUSTOMERS.
GOOD FOR YOUR BUSINESS.**

Oddlygood™ is a unique family of products created to satisfy the growing appetite for plant-based cheese alternatives without compromising on quality and taste. Our products are carefully crafted with the purest ingredients for vegetarians, flexitarians, and anyone looking to enjoy a plant-based diet.

Sustainable, delicious and nutritious, Oddlygood™ empowers your customers with meaningful choices that make them feel good about their health and the well-being of the planet.

- ✓ **Comes in convenient forms**
 - shreds, logs or slices – for every recipe and application
- ✓ **Sell “Better for You” final products**
 - Use with gluten free pizza crusts – sell more “Healthy for You” pizzas
 - Top plant-based cheddar on plant-based burgers – sell 100% plant-based burgers
 - Use plant-based cheddar in Mac ‘n Cheese – higher consumer appeal
- ✓ **Melts extremely well, will not burn**
 - Use in high temp pizza ovens
 - No waste, product performs flawlessly
- ✓ **Works great in “To-Go” applications**
 - Oddlygood™ plant-based cheese stays creamy when cooled
 - Use it everywhere

For best results, bake pizza in conventional oven at 450 degrees or higher until the crust is golden brown and cheese is melted. Do not bake pizza in convection forced air ovens. For entrées, bake covered until thoroughly cooked and cheese is melted.
