# FAQs

## WHAT IS ODDLYGOOD™ ALL-IN BARISTA OAT DRINK?

Oddlygood™ All-In Barista Oat Drink is a dairy-free, gluten-free, vegan-friendly oat milk. It foams well and is perfect for coffee drinks of all kind.

## WHY IS IT CALLED “ALL-IN”/WHAT DOES “ALL-IN” MEAN?

“All-in” is both our product truth and our morning coffee mantra—when you want to go all-in on indulgence with your coffee, this is the Barista Oat Drink to pick. Oddlygood™ goes “All-In” by using the entire oat so there is no food waste.

## WHY IS IT CALLED “BARISTA” OAT DRINK?

Our Barista Oat drink was crafted by a professional barista to pair perfectly with coffee—hot or cold, light or dark roast, drip coffee to cappuccino. It can be whipped into a light and durable foam delivering beautifully blended smoothness and creamy, pure oat taste. Unlike many dairy alternatives, Oddlygood™ All-In Barista Drink does not “flake” when mixed with coffee and foam stands up over time!

## WHO IS THIS BARISTA MASTERMIND?

Our Oddlygood™ Barista was developed with a top-level coffee professional, barista Lari Järnefelt. He is a two-time Finnish barista champion who understands how critical modern coffee customers are, and what qualities they require for the perfect coffee drink.

## WHAT DOES ODDLYGOOD™ ALL-IN BARISTA OAT DRINK TASTE LIKE AND WHAT SHOULD I EXPECT WHEN I TRY IT?

Oddlygood’s Barista Oat Drink is World Rocking Tasty! It features a rich texture and delightfully subtle oat flavor. In Lari Järnefelt’s own words, “The soft, clean taste has just the right amount of oats, not too salty and not too sweet. It gives room for the coffee’s own taste.”
