

Valio Sourcing & Contract Manufacturing Policy

This policy is guiding all Valio Group level Sourcing, Procurement and Contract Manufacturing activities.

Laws and regulations

- Valio Sourcing must comply with all applicable laws and regulations and appropriate social practices governing our local and global businesses.
- We have zero tolerance to any corruption or bribery.

Safety and Responsibility

- Food Safety and high quality of our products is a base for our responsible sourcing.
- We ensure that our suppliers comply to our Food Safety, Environment, Occupational Health and Safety and Social responsibility requirements to guarantee our promises

Transparent Supply Chain

- We know our suppliers and our supply chain, and we conduct continuous improvement of our Supplier Approval, Auditing and Monitoring processes.

Supplier Cooperation

- We treat our suppliers equally and offer a fair competition environment.
- We emphasize honest, open and long-term relationships to optimize mutual processes and reach new level of innovations

Social Responsibility

- We endorse the UN Guiding Principles on Business and Human Rights and are embedding them throughout our operations.
- We are committed ourselves and we expect our Suppliers to commit to The Valio's Supplier Code of Conduct.
- We improve our skills to recognize better social risks in supply chain.

Sustainable Sourcing

- Valio's target is to reach carbon neutral milk chain by 2035 and we cooperate with our Suppliers to reach this target and minimize climate impact.
